

Wild about NZ

A HONEYMOON AT MT HUTT GOT US STARTED ON THE **SNOWACTION** TRAJECTORY, AND WE'VE NEVER BEEN WILDER ABOUT NZ OR HAD BETTER COVERAGE THAN RIGHT NOW, THANKS TO PHOTO EDITOR **DAN POWER'S** MISSION LAST WINTER. WITH A GUNG-HO CREW OF LOCAL AND INTERNATIONAL TALENT, LIKE **PETE OSWALD FREESKIER** (SHOWN HERE NAILING A RIDICULOUSLY BIG BACKIE HIGH ABOVE LEGENDARY **TREBLE CONE**), THEY CAME BACK WITH THE LOWDOWN ON WHERE TO GO THERE THIS WINTER.
